

SPEC SHEET

Cube Modular is the exclusive distributor of CN20 containers for major international sporting events and the UK and Ireland - a market leader in foldable container solutions. Utilised at global events and venues, Cube's award-winning foldable buildings are ideal for site offices, dressing rooms, box offices and point of sale units as well as for storage, cooling and heating purposes.

Size (L x W x H):

- ▶ Folded: 6060 mm x 2440 mm x 540 mm
- ▶ Erected: 6060 mm x 2440 mm x 2750 mm
- ▶ Inner height: 2470 mm
- ▶ Inner width: 2310 mm
- ▶ Inner length: 5870 mm

Weight:

- ▶ 1650 kg

Logistical Advantages:

- ▶ Up to 10 units can be loaded and transported on a standard trailer
- ▶ Decreases logistical, as well administration costs (e.g. entry permits), by 80% due to its stacking ability, when in a folding position
- ▶ Decreases the space needed for warehouse storage by 80%
- ▶ Can be loaded and unloaded, erected and taken down with a forklift, telehandler or crane

Operational Advantages:

- ▶ Quick installation and de-rig (on level surface), a total of 5 -10 mins
- ▶ Installation and de-rig by 1 crew +1 operator
- ▶ Ideal for use where site access is limited
- ▶ Wide range of set-up variations and scalability
- ▶ Multifunctional: for accommodation, office, first aid, storage, retail and other functionalities
- ▶ Safe – due to the patented hinge mechanism, the unit can only be folded down with the use of a special hand tool
- ▶ Comfortable – can be mounted with AC or heating panels

DOUBLE CN20:

- ▶ Multiple CN20 units can be jointed together to create an open plan building, e.g.
2 x CN20 = 1x30m²
